

Tender No. 17/15

Acquisition, Installation and Integration of Traffic Surveillance and Control System

Further to the tender of Ayalon Highways Co. Ltd. ("Ayalon") for proposals for the Acquisition, Installation and Integration of Traffic Surveillance and Control System ("TSCS") (the "Tender"), Ayalon is hereby publishing an Amendment to the Professional Pre-Qualification Requirements, as follows:

1. Amendment to the Professional Pre-Qualification Requirements

The Professional Pre-Qualification Requirements shall be amended such that the wording: "as a main contractor [קבלן ראשי]" shall be deleted. Thus, the new version of the Professional Pre-Qualification Requirements shall be as follows:

"The Bidder (and for a JV Bidder –the member of the Joint Venture that is in compliance with the pre-qualification requirements set forth in Clause 3.2.1 above), has executed at least three (3) projects during the past ten (10) years, in Freeways [דרכים מהירות] and/or in Tunnels, in compliance with all of the requirements set forth below:"

2. Postponement of the Bidders Conference Date

Due to the Amendment mentioned above, **the Bidders Conference Date specified in Article 7 of the Tender Documents , shall be postponed to the 25th of November, 2015 at 10:00 (Israel time)**. In order to avoid any doubt, participation in the Bidders Conference is mandatory.

3. Postponement of the Last Date for Submitting Proposals

Accordingly, **the last date of the submission of proposals for the Tender specified in Article 12 of the Tender Documents, is postponed to January 20, 2016, 12:00 (Israel time)**. The Bids and the Tender Documents must be delivered to the Tender Box at the Company's offices by hand delivery only. Proposals submitted after the aforementioned time shall not be accepted.

4. Tender Bond

The tender bond, specified in Article 5 of the Tender Documents, will remain unchanged.
